

*Who knows where he comes from
can decide where to go*

Old values new paths

Our dishes tell stories - of familiar flavors,
traditional recipes and the people
who have farmed the land for generations.
These roots give us support and inspiration.
The knowledge of previous generations lives on in our cuisine -
not as a rigid tradition but as a living foundation.
We ask ourselves: Why was a dish so good?
And how can we prepare it today with the same respect,
but with a new perspective?

Some of the dishes on this menu will seem familiar.
Others may surprise you.
Both are intentional - because we cook with roots.
And with the courage to change.

Welcome to the Gasthof zum Löwen.

We're glad you're here.
